

Feng Shui - Diary & Almanac 2018 - Year of the Earth Dog - Version

NEW for this edition : - the Jie Qi or 24 solar terms - an article about Ba Zhai or Eight Mansions Feng Shui that will teach you exactly which are the correct good and bad sectors of your home and office. This Feng Shui Diary & Almanac is an invaluable tool to help you plan in 2018, the Year of the Wu Xu Earth Dog. It is very essential to properly plan your activities ahead, noting the days that are conducive and other periods that are not in order to make the most out of the year. In this very clear and structured book, you will find the favorable and unfavorable activities for each day of the year, the conflict animal and the animal of the day, the good and bad hours of the day, the lunar cycles... and this for 13 months (from January 2018 until January 2019 included). The Almanac also includes additional information you cannot find in other annual books of the same kind : the Ba Zi Pillars, the 12 Day Guards, the 24 Mountains chart with the annual afflictions, renovation rules, a table with the Gua numbers and your personal directions, a detailed analysis of annual and monthly flying stars charts, favorable and unfavorable areas of your home or workplace for every day of the year, the Master Killing days, the Yi Jing hexagrams that are necessary for Xua Kong Da Gua Date Selection, a brief summary of the astrological forecasts for each of the 12 Chinese animal signs, a list of the people who should not attend funerals, the good and bad days to undertake various types of activities such as starting a business, getting married...
